

Compression Sprayers - Plastic Series

**Worldwide novelty in compression sprayers.
Specially designed for more comfort to the
operator and product saving, offering a better cost-benefit.**

code 417.02

code 424.00

code 418.02

Application with the 1-litre model - code 424.00

Application with the 4-litre model - code 417.02

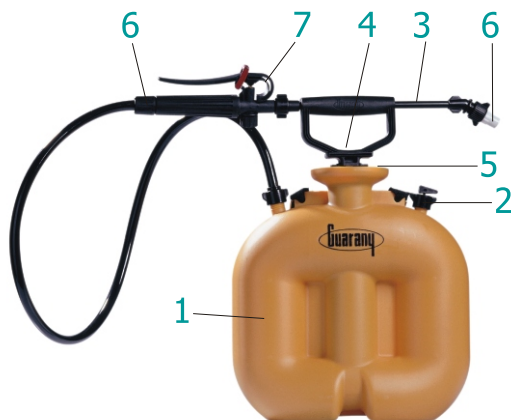

Application with the 6-litre model - code 418.02

Compression Sprayers - Plastic Series

code 424.00

code 417.02

code 418.02

Applications:

- Insecticide, fungicide, herbicide and foliar fertiliser application in home gardens and small vegetable gardens.
- Weed control.
- Insect control at houses.
- Cleaning cars and machines with kerozene.
- Washing benches and garden furniture.
- Whitewashing trees, walls and fences.
- Application of floor wax.
- Application of wood preservatives.
- Mildew removal.
- Waterproofing treatment.

Features:

- 1-** Ergonomical tank, made from high density polyethylene.
- 2-** Safety valve with automatic air relief in case of overpressure or by operator command.
- 3-** Rotating lance with adjustable tip that allows to change the angle and the distance of the application.
- 4-** Pump made from polypropylene; allows the operator to put pressure previously, thus facilitating the work and leaving a hand free during the application.
- 5-** Large inlet for easy filling.
- 6-** Two stage filtration - in the valve handle and in the nozzle.
- 7-** New super 5 valve with double locking device, for continuous spraying and to avoid incidental spraying.
- 8-** The 1-litre model has a handle incorporated to the tank that makes using and filling easier.

Technical specification

	code 424.00	code 417.02	code 418.02
Total capacity.....	1,25 l (0,33gal)	4,7 l (1,25gal)	7,6l (2 gal)
Useful capacity.....	1,00 l (0,26 gal)	3,8 l (1,0 gal)	5,7 l (1,5 gal)
Net weight.....	0,5 kg (1,1lb)	1,5 kg (3,3 lb)	1,6 kg (3,5 lb)
Maximum working pressure.....	45 psi (300KPa)	45 psi (300KPa)	45 psi (300KPa)
Packaging.....	410 x 280 x 310mm (6 units)	325 x 125 x 435mm (individual)	210 x 210 x 480mm (individual)
