High Pressure Sprayer

Applications

Easy to use and to maintain, it's ideal for the application of insecticides, fungicides and liquid fertilizers in gardens, floriculture, homes, horticulture, plant nurseries, kennels, stables among others.

The only manual sprayer capable of attaining 300 PSI pressure - more efficiency with fine spraying.

- 1 Five liter tank in orange color, with black lance and carrying straps.
- 2 Sprayer without tank and with hose to be used with PET bottles (from ½ to 2 liter). The PET bottle does not accompany the product.

ATTENTION

Keep the PET used bottle with agrochemicals far from the reach of children. Keep bottles well closed after use. Do not re-utilize empty bottles.

Features

- Continuous jet pump with self lubricating felt.
- Universal nozzle with anti-drip adjustable tip.
- Angled rotating lance.
- Corrosion proof.
- Carrying Straps Included.
- More agrochemical's economy, protecting the environment.
