POP-UP IRRIGATION KIT

Product description

Complete lawn watering kit so homeowners can install their very own pop-up sprinkler system at an affordable price. This pop-up irrigation set is for areas of maximum 64m² and includes all the necessary parts required to complete the installation.

Benefits

- Water efficient
- Keep lawns watered even in times of water shortage
- Includes everything needed for successful lawn maintenance
- Eliminates brown spots in lawn and uneven results
- Eliminates need to constantly move hose and sprinklers

Features

- Pop-up sprinklers with adjustable nozzles
- For areas up to 64m²
- Sprinklers retract into lawn for a clean uncluttered appearance and easy mowing
- Instructions included

Suitable for

- Lawns
- Turf
- Shrubs
